

## **Council Meeting – 30 September 2021**

### **Agenda Item CC2246/21**

#### **Code of Conduct**

##### **Introduction**

The Local Government Association (LGA) has developed a Model Councillor Code of Conduct– see attached. It is a template for councils to adopt in whole and/or with local amendments.

The current Croxley Green Parish Council Code of Conduct was based on the previous Model Code and was last updated in February 2013.

##### **Discussion**

At the previous Council meeting members were asked to send any comments they had on adopting or adapting the model LGA code of conduct. No comments were received.

Adoption of the Model Code of Conduct will negate the need to keep a separate Croxley Green Parish Council version and will align CGPC with TRDC's own processes.

##### **Recommendations**

- That Council adopts the LGA Model Councillor Code of Conduct.

**Ryan Bennett**  
**Clerk to the Council**
