

Planning & Development Meeting – 16 March 2021

Agenda Item PD3810/21

Three Rivers District Council Tree Strategy

Introduction

To discuss the Three Rivers District Council Tree Strategy consultation.

Discussion

TRDC have released a Tree Strategy 2022-2027 briefing document which can be read at <https://www.threerivers.gov.uk/eqcl-page/consultations>.

TRDC state that “the new tree strategy will set out the Council’s approach to a whole range of tree issues, and will identify and prioritise actions for the Council to achieve over the next five-year period (2022-2027). This initial briefing document sets out the broad process and timescale to producing a new tree strategy. It also hi-lights the points when stakeholders will be consulted and invited to comment on the emerging strategy. The publishing of this briefing document is an opportunity for stakeholders to make any initial comments.”

Councillors are asked to read through the briefing document for discussion at the meeting. Comments will be passed to the Grounds Maintenance Manager to then submit a response to TRDC.

Recommendations

- That the Grounds Maintenance Manager responds to the consultation on behalf of the Council.

Ryan Bennett
Clerk to the Council
