Budget 2019 - 2020

submitted by: **Cllr Derek Wallington**

date: **25th October 2018**

insert Committee name: **Environment & Amenity**

Budget Description	Detail	2019/20	2020/21	2021/22	Total
Prize's £350	Infants School Sun Flower Competition		*£350*		
	Less Reserve ex 2018		*£125*		
	Totals		*£225*		

Brief Background/Justification: *(use separate sheet of paper for 'Project' / 'Event' detail)*

Dear Councillors I would like to again promote a Sunflower competition in the 2019/20 Budget, To include our four infant schools in Croxley Green, **Little Green School / Malvernway School / Yorkemead School / Harvey Road School.** I have been incontact with all the schools and they have expressed a wish to compete again next year. I would also like the winner for tallest sunflower to receive £125 prize and second £100 third £75 and fourth £50. Giving prizes in this way allows every school to receive a prize. If permitted I would like again to provide the seeds for competition. Last year I proposed that the competition is only for one year to see if it was a success, I believe it was, so would like the competition to continue for another year 2019/20. I would suggest the seeds are distributed to the schools at start of April 2019, and the measuring to take place again with the help of our Rangers just before the schools break for summer. I believe the schools will gain in two ways, one from the fun and enjoyment I hope the children will have by taking part, and two from the small donation the schools will receive. There is a reserve of £125 remaining from 2018 Budget due to two entries failing to germinate their seeds, which I would like to be taken and included in the 2019/20 Budget to cover the prize money for 2019 competition. totalling £350.
